

# **NATIONAL OIL COMPANY OF LIBERIA (NOCAL)**

**Episcopal Church Plaza, 3<sup>rd</sup> Floor, Corner of Ashmun & Randall Streets  
1000 Monrovia 10, Liberia**

## **EXPRESSION OF INTEREST**

**JUNE 16, 2008**

### **BACKGROUND**

The National Oil Company of Liberia (NOCAL) is soliciting the Expression of Interest from Geophysical Services Companies from Liberia or abroad to undertake Hydrocarbon Exploration Data storage, management, processing, promotion, and sales services. This includes both offshore and onshore geophysical, geologic, gravity, seismic and well data for NOCAL.

The qualified company will be required to perform among other things, the following:

- i) Management, Storage, Promotion, Marketing and Sales of previously-acquired Seismic Data from offshore Liberia, and all reports and interpretations thereof, including the hydrocarbon exploration seismic and well data, reports, tapes, samples, etc. acquired from Iron Mountain on behalf of NOCAL;
- ii) Proper storage of field and /or processed tapes of previously acquired seismic and well data, reports, samples, maps, reinterpretations, etc.;
- iii) Prepare and issue the requirements for data acquisition, storage, reproduction & processing;
- iv) With NOCAL, insure the standard seismic data acquisition & processing parameters and sequence;
- v) Liaise with the individual operators in Liberia and abroad with respect to available exploration data for NOCAL;
- vi) With NOCAL, provide the appropriate technical capacity and QC during acquisition and processing;
- vii) Provide technology transfer, training and job opportunities for NOCAL and Liberian personnel during all stages of the project;
- viii) Provide assistance in promoting the offshore blocks licensing bid round; and where necessary the preparations of bid round documents;
- ix) Retrieve and store for NOCAL all onshore and offshore geophysical and geological petroleum exploration data and reports from “Iron Mountain” and other sources where such data may be found;
- x) Transcribe, process, interpret, digitize or reprocess onshore data to cartridges, or other appropriate storage and retrieval system, archive and storage of onshore data;

- xi) Establish a kingdom suite workstation, fully-loaded with all available data for use at NOCAL facilities in Liberia;
- xii) Provide the kingdom suite hardware & software and training for NOCAL personnel and provide annual maintenance assistance;
- xiii) Prepare periodic inventories reports for all data, financial and operational reports and updates for NOCAL of which NOCAL will be allowed to commission periodic audits.
- xiv) Assist NOCAL to prepare a submission to the UN Commission on the Limits of the Continental Shelf for the extension of the limits of Liberia's Continental Shelf beyond the statutory 200 miles; and
- xv) Perform all other activities pertaining to petroleum exploration data management, storage, processing, promotion, data sales and blocks licensing & bidding process all of which shall at all times be the property of NOCAL.

## **REQUIREMENTS**

Companies submitting their Expression of Interest should provide their company profile, details of their experience in the petroleum exploration, data management, promotion and data sales; experience in the West Africa region; their financial and technical resources; and manpower capacity to effectively perform the required work and financial commitments.

Deadline for the submission of Expression of Interest is Wednesday July 16, 2008 at 12 O'clock noon, GMT.

Interested companies should submit their responses to the National Oil Company at the following address and e-mails:
