

# Liberia 3<sup>rd</sup> Bid Round Extended Due to High Interest!

The Government of Liberia, through the Ministry of Lands, Mines and Energy (MLME) and the National Oil Company of Liberia (NOCAL), has announced the opening of the third Liberia Offshore Petroleum Licensing Round. The third licensing round is now open until **December 31, 2009**.

Petroleum blocks open for bids are LB-1, LB-2, LB-3, LB-4 and LB-5.

Two-dimensional (2D) seismic survey data over the official blocks are available at the offices of TGS in London and Houston.

Further details of the licensing round, copies of the standard application form for the submission of bids, model petroleum production sharing contract, petroleum map indicating the open blocks and the act adopting the new petroleum law of the Republic of Liberia have been posted on the NOCAL website: [www.nocal-lr.com/bid\\_anoucment.html](http://www.nocal-lr.com/bid_anoucment.html)
